SQ has up to date information on their website with what is required to host a meet.

NOTES –

- Due to the lack of Technical Officials the DDRSA will not approve more than one Qualifying meet per club (Due to historical reasons exemption will apply for the Gatton Club)
- Development meets are highlighted - These meets will be designed around the development of swimmers to take the next step from club
- All Transition and Preparation meets will be require to use marshalling sheets and Self Marshalling is to be used.
- All Transition and Preparation meets will be require to provide a timeline which will have to be provided to the DDRSA the Monday before the meet as well as a competitor entry check list to be emailed to all competing clubs/competitors.
